2027 2nd International Conference on Electromagnetic Engineering & Microwave Systems

June 11-13, 2027 Hangzhou, China

EEMS 2027
www.iceems.org

Taking place from June 11 to 13, 2027 2nd International Conference on Electromagnetic Engineering & Microwave Systems (EEMS 2027) will be held in Hangzhou, China. Co-sponsored by Yangtze Delta Region Academy of Beijing Institute of Technology (Jiaxing), Zhejiang University, Hangzhou Dianzi University, and Ningbo University, the conference aims to fully leverage Hangzhou's unique strengths in fostering innovation, creating a world-class international exchange platform that brings together global academics, industry leaders, and technology innovators. It will serve as a dynamic venue for sharing cutting-edge insights, building cross-border collaboration networks, and driving technological advancements in the fields of electromagnetic engineering and microwave systems.

CALL FOR PAPERS:

Track 2: Antenna Theory and System Design

Track Chairs:

Prof. Xiang Gao
Beijing Institute of Technology, China

Assoc. Prof. Yi Chen Zhong
Xidian University, China

Assoc. Prof. Zhuozhu Chen
Guangdong University of Technology, China

Design of Microstrip Antennas and Antenna Arrays
Phased Array and MIMO Antenna Technologies
Design of Metamaterial/Metasurface Antennas
Reconfigurable and Conformal Antenna Technologies
Intelligent Reflecting Surface Antenna Systems
Terahertz Antennas and Imaging Systems
Low-Profile and Miniaturized Antenna Design
Automotive-Grade Antennas and RF Systems
Modeling and Design of Antennas in Packaging
Multi-Physics Simulation and Design of Antennas Radomes

More information about topics, please visit: *https://www.iceems.org/cfp.html*

SUBMISSION

The manuscript in double-column format should have at least 4 full pages and up to 10 pages. If it exceeds 5 pages, the extra page(s) will be charged. Manuscripts must be written in English and follow the instructions at Manuscript Formatting and Templates.
Submission system: *https://www.zmeeting.org/submission/eems2027*

PUBLICATION

All submissions will be sent for double-blind review. Accepted papers with registration and presentation will be published in Conference Proceedings, and submitted for index by Ei Compendex and Scopus.

COMMITTEE

Advisory Committe Chairs
- Weng Cho Chew, Purdue University, USA (IEEE Fellow)
- Wei Hong, Southeast University, China (IEEE Fellow)

Advisory Committe Co-Chairs
- Roberto Graglia, Polytechnic University of Turin, Italy (IEEE Life Fellow)
- Koichi Ito, Chiba University, Japan (IEEE Fellow)
- Leong Tseng, University of Michigan, Ann Arbor, USA
- C. H. Chan, City University of Hong Kong, China (IEEE Life Fellow)

Honorary Chairs
- Er-Ping Li, Zhejiang University, China (IEEE Fellow)
- Lingling Sun, Hangzhou Dianzi University, China

Conference Chairs
- Zhongxiang Shen, Yangtze Delta Region Academy, Beijing Institute of Technology (Jiaxing), China (IEEE Fellow)
- Wen-Yan Yin, Zhejiang University, China (IEEE Fellow)

Program Chairs
- Guoqing Luo, Hangzhou Dianzi University, China (IEEE Fellow)
- Wei Sha, Zhejiang University, China (IEEE Fellow)
- Changzhou Hua, Ningbo University, China

Program Co-Chairs
- Changxin Wei, Zhejiang University, China
- Yunlong Lu, Ningbo University, China
- Yingran He, Yangze Delta Region Academy, Beijing Institute of Technology, China

Publication Chairs
- Yan Li, China Jiliang University, China
- Liang Peng, Hangzhou City University, China

Publicity Chair
- Yufeng Yu, Hangzhou City University, China

Local Organizing Chairs
- Da Li, Zhejiang University, China
- Weiliang Yu, Hangzhou Dianzi University, China
